ESTec Reports Positive Financial Results and Growing Revenues in Third Fiscal Quarter

EDMONTON, May 15 / ESTec Systems Corp., - (TSX-V : ESE), is pleased to report its' financial results for the quarter ended March 31, 2009. During this period, revenues amounted to \$622,114, an increase of \$211,926 or 52 %, over revenues of \$410,188 in the equivalent third quarter of the previous fiscal year. Net income rose to \$43,071 in this third quarter compared to \$27,334 in the three months ended March 31, 2008, an increase of 37%.

Revenues for the first nine months of fiscal 2009 were \$1,663,615, an improvement of 47% over sales of \$1,129,084 in the first nine months of the previous fiscal year. This represents the third consecutive quarter over quarter gain in revenue. Net income in the first nine months of this fiscal year amounted to \$148,636 compared to a loss of (\$76,779) in the equivalent period of Fiscal Year 2007-2008. The Company's strengthened performance has allowed it to reduce its bank indebtedness by more than half in relation to its position at March 31, 2008, as is indicated in the summary of operating results below.

Tony Nelson, ESTec's President stated, *"We are pleased that our enhanced focus in recent quarters on sales and marketing, combined with new strategic initiatives, appear to be bearing fruit, and this notwithstanding a broad economic downturn. Indeed, at present, our drilling rig design services are booked to capacity."*

Summary of Operating Results	For the nine months ended March 31, 2009	For the nine months ended March 31, 2008
