ESTec Systems Corp. Appoints New Manager of Engineering Services

Edmonton, Alberta

August 3, 2010 – ESTec Systems Corp., (TSX Venture: ESE) is pleased to announce the appointment of its' new Manager of Engineering Services, Mr. Kevin Ehsani. Mr. Ehsani comes to the Company with ten years of engineering and progressive leadership experience. Previously, he has worked as a staff engineer with Schlumberger in the Middle East, Africa and Venezuela. He has served as a mechanical project engineer and project manager for rig and equipment manufacturers, and has gained extensive hands-on design and manufacturing, as well as field engineering experience in both offshore and land drilling environments.

Kevin holds a degree in Mechanical Engineering from the Sharif University of Technology, Iran. With his broad international industry experience and engineering expertise, Kevin has become a valued member of our team.
